

SLIDER BEDS

SLIDER BED

- Uses standard trough frames
- UHMW slider panels
- Custom lengths up to 8 ft
- Optimal design for sealing with skirting to eliminate spillage

Slider Bed Front View

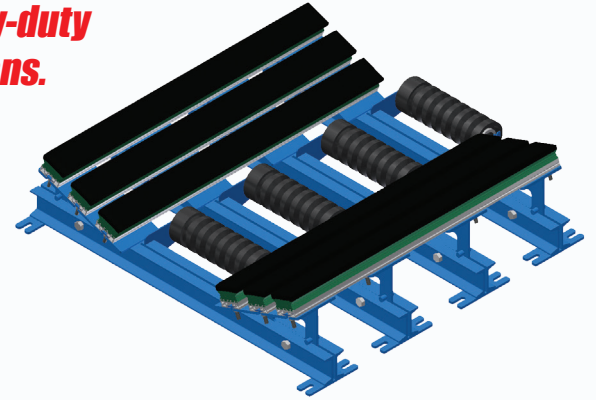

Slider Bed Side View

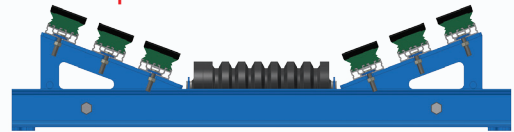

Luff Slider Beds are constructed for strength and durability; perfect for medium, heavy-duty and extreme applications.

IMPACT SLIDER BED

- Uses heavy duty impact bed frames
- Urethane impact bars with UHMW wear surface
- Available in standard lengths of 18", 48", 60" and 72"

Impact Slider Front View

Impact Slider Side View

- Center impact rolls reduce belt friction minimizing heat build-up and bar wear.
- Luff's in-house engineering team will custom design the Slider bed to meet specific needs for quick and easy in-field installation.

Available in CEMA C, D, E and F load ratings.
