

# **CBC FLIPPER PULLEY**

***Luff Industries' CBC Flipper Pulley is manufactured with rubber flippers attached at the end of the pulley to flip product back on to the belt in the load zone.***

**Ideal for enclosed Belt Conveyor Systems**

**Anti-static Flippers Available Upon Request**

Luff's CFW CBC 4140 HTSR design offers stronger pulley construction while maintaining constant belt contact to allow for belt speeds exceeding 400 FPM, resulting in reduced noise and vibration.

**Full 2 Year Warranty**

Special contact bar material provides for superior abrasion resistance and extended pulley life.
