

SAFETY NET

Luff Safety Net provides a flexible and safe guarding solution

- Made of HDPE for a strong, non-conducting barrier.
- Easily cut into any size or shape to fit your conveyor system.
- High-visibility safety yellow for easy detection of hazardous areas.
- Guard panels are UV resistant and maintain stability up to 100 °C to ensure maximum durability in various environments.
- HDPE material is Food Grade
- All panels come complete with TEK self-drilling screws and driver for attaching to machinery.

In stock at all Luff Locations

- Mesh Size: 2mm x 2mm
- Roll Length: 4' wide by 100' long
