

# **RUBBER BRISTLE BRUSH**

***A cleaning system to handle challenging belt cleaning conditions***

- Rubber bristles provide a sweeping action to remove materials off of the conveyor belt.
- Best used on cleated, chevron or ribbed belts.
- Flexible bristles can provide more aggressive brushing action compared to nylon bristles, without causing excessive wear.

***Full 2 Year Warranty***

- Can provide any belt width & diameter.
- Available with 2" long bristles only.
