

# URETHANE BEATER RETURN ROLL

**Exceptional Durability:** Designed for an extended lifespan, the Luff Industries Urethane Beater Return Roller offers unmatched longevity, ensuring consistent performance over time.

**Efficient Cleaning:** The innovative design of the urethane beater roller ensures highly effective cleaning, keeping your conveyor system free from debris, buildup, and contaminants.

**Elimination of carry back:** Say goodbye to material carry back issues. This roller's advanced engineering and reliable performance ensure that carry back concerns are effectively eliminated, contributing to a cleaner and more efficient operation.

**Seamless Compatibility:** Designed to fit seamlessly into standard brackets, the Luff Industries Urethane Beater Return Roller offers easy installation and integration into existing conveyor setups, minimizing downtime during implementation.

**Belt-Friendly:** Constructed to be safe for cleated belts, this urethane beater provides optimal cleaning while also preserving the integrity of cleated conveyor belts, enhancing overall operational safety and performance.
