

## HDPE Sleeved Rolls

**Built to Withstand Harsh Conditions:** Engineered for high-tension and adverse environments, HDPE sleeved rolls are resistant to chemicals, corrosion, and fatigue.

**Tough and Long-Lasting:** Offers exceptional impact resistance and durability while maintaining performance in extreme applications.

**Cost-Effective & Low Maintenance:** The physical properties of HDPE provide long-term value through reduced maintenance and extended service life.

**Simple Installation:** Lightweight and easy to handle, these rolls are ideal for quick replacement and reduced downtime.

**Enhanced with Luff's Patented Technology:** Benefit from Luff's patented polymer end cap design and advanced sealing system, paired with a corrosion-resistant outer shell for superior protection.

**Anti-lock Shield & High Moisture Seal Available**
